Gibson 'Patio Jam' immediately following the show!

Featuring on August 2nd...

Michelle has a smooth vocal style that captivates listeners. She takes a human approach to the soul of her song writing and she expresses emotions that everyone can relate to. Her vocal style is a combination of pop and blues with a jazz essence. Her voice is reminiscent of Joan Armatrading, Tracy Chapman & Natalie Merchant. Michelle has worked in the music industry as a performer and entertainment coordinator since 2000. Her performance and recording skills have taken her from gala events to radio spots. In Toronto Michelle started out by attending local jams and singing contests. She was introduced to guitarist Tim Rosseter and together they helped form the lounge act THE PERFECT THIRD. In 2002 Michelle moved to Barrie, Ontario and continued to work with Tim Rosseter as a duo in their dinner/lounge show as GUY ROSSETER. She has also had the pleasure of working with the rock & roll group Klauz and as a guest back up singer for Kelly Davies (The Dirty Little Swing Thing).

Originally from Toronto, **Kent MacMillan** now resides in the world class musical community of Guelph. Kent is a full-time musician who keeps busy both as a coveted private music teacher and as a gigging singer/songwriter/lead guitarist/bassist and pianist playing clubs around Ontario. As a guitarist/bassist he works with many Ontario artists such as Joe Forster, Mo' Kauffey, Kid Coma and Greg Denton. Kent is also the frontman for the popular Max Bent band and has written over 800 songs to date.

Kent is a Songwriters Showcase alumnus, having appeared twice before. He has and continues to be very generous with his time and talent, and is welcomed back with open arms!
